

## External contributions on GitHub (2022, Seanpm2001)

The chart is currently broken, LibreOffice makes it really complicated. I don't know how to enter values, I tried for over 20 minutes today. I will have to get into research another time.

### Total external contributions:

#### Republic of India: 2x

1. [@GaurPeeyush](#) (1 contribution) type: graphic design (low level submission)
2. [@QamberHasnain](#) (1 contribution) type: graphic design (high level submission)

#### Republic of Turkey: 1x

1. [@InDataWeTrust](#) (1 contribution) type: typo fix (low level edit)

### Notes

The lists are sorted in A-Z order of the time of contribution.

The contribution type here is for pull requests only at the moment.

### File info

File version: 1 (2022, Sunday, May 1<sup>st</sup> at 11:04 pm PST)

Original file type: OpenOffice Document (\*.odt)
